Hey Folks!

Wanted to bump this event tonight. Thanks!

Dear Appointees,

We're excited to announce an AAPI-Affinity event with the of the Climate Cluster. We'll be joined by Bina Venkataraman, who is currently an editor at the Boston Globe and served in the Obama Administration, for a fireside chat with AAPI Appointees. She'll share some of her experience working in science and government as an AAPI woman, and give appointees the opportunity to ask questions and bond across the cluster. The event details are below. You can also check out Bina's [TED talk](#) on thinking ahead—something central to our work in the Climate Cluster!
